Equipped to be used on various platforms and devices. Stay connected to your work no matter where you are. Manage teams, clients, projects, and deliverables – all at your finger tips.

TIME TRACKING

Automated | Simplified | Accurate | Efficient

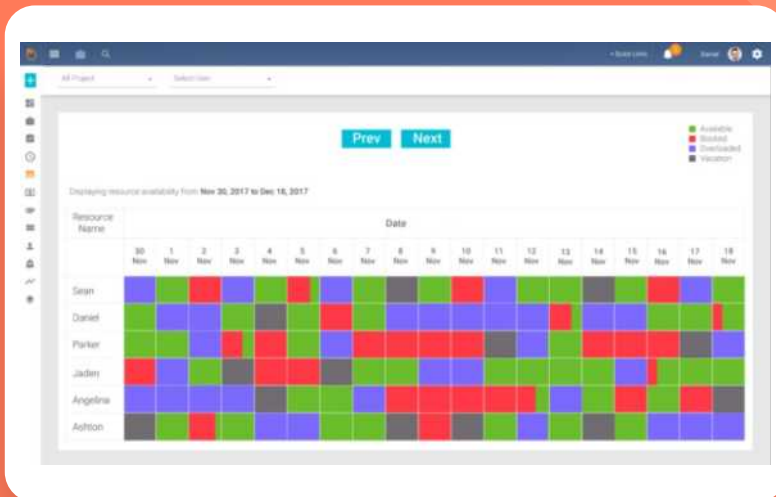

- ▶ Automatically track time spent on your tasks.
- ▶ Easily mark your billable hours and view your teams time spent in a single view.
- ▶ Quick Day, Week & Month views show how your teams are occupied and also tasks to be delivered during the day and week.
- ▶ Daily and weekly timesheets make your day simple and helps you stay organized and save time.

RESOURCE MANAGEMENT

Know availability | Plan well | Deliver more | Utilize right

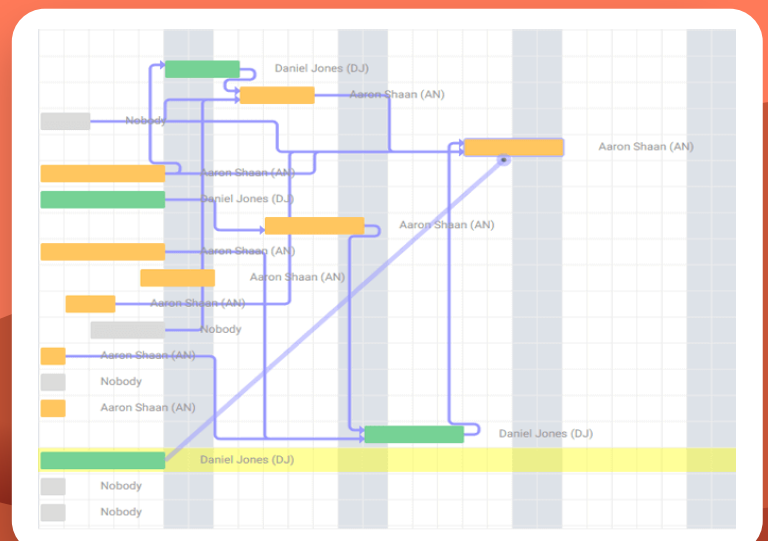

- ▶ Deliver projects on time or ahead of time and gain Higher Customer Satisfaction (CSAT).
- ▶ Easily track which resource is overloaded and re-plan task assignments for quicker delivery.
- ▶ See which tasks were worked upon for how long by how many resources.
- ▶ Generate payment receipts just like Pay Slips and send to your freelancers and contractors.

SCHEDULE MANAGEMENT

Clarity | Communication | Collaboration | Efficiency

- ▶ Well defined task time lines and project schedule prevents unwanted delays and keeps the teams in sync.
- ▶ Any delays are identified easily and allows for quick pre-emptive measures with Gantt chart.
- ▶ Easy Drag n Drop tasks.
- ▶ Task dependencies allows them to reach out and help each other to avoid delays.

MOBILE APPLICATION

Quick Connect | Collaborate Easy | Contribute More

- ▶ Create, plan and assign projects easily.
- ▶ Free yourself from email exchanges.
- ▶ Plan, prioritize and Manage your daily activities.
- ▶ Share & Receive progress in real time with your customers.
- ▶ Classify & Organize tasks in a meaningful manner.
- ▶ Stay connected, stay in control, stay ahead with The OrangeScrum Project Collaboration Tool Mobile App.

OUR REVIEWERS

OUR AWARDS

INVOICING & BILLING

Accurate | Dependable | Actionable | Efficient

- ▶ Customized billing for your Clients - We understand that "customers" come in all sizes and have their own paying terms.
- ▶ Do it all with ease! Set easy recurrence for your invoices and have them automatically delivered to your Client's inboxes.
- ▶ Send invoices directly from OrangeScrum as PDFs.

TESTIMONIALS

"OrangeScrum made our project management tasks and timesheets so much easier and support provided by team is awesome."

Anil Kumar, CEO
Sarat Technologies

"OrangeScrum ensure over my projects in a way I did not find in any other platform. I have a great feeling about the evolution of the platform and new feature add-ons, Congratulation to all team."

Pedro Artur Oliveira
Gestor de clientes (Manager)

"OrangeScrum is a nice task management tool with a very simplified and intuitive UI. It enabled quicker adoption of time tracking as a practice along with instant task updates and progress leading to greater collaboration among my teams."

Sadanand Suresh Walte
Technex Technologies Pvt. Ltd.

"OrangeScrum simplifies the process of project management for our organization with its power collaboration tools. We couldn't be happier with OrangeScrum!"

Jamie Smith
Director of Marketing Automation

"IP consulting firm made OrangeScrum their platform to manage projects, track time and sending invoices to customers without using any other tool."

Bala Murugan L
Patent Consultant

"We can highly recommend this software to anyone needing a project management software with an easy to use interface and clearly presented lists and work flows. OrangeScrum increased our project management efficiency dramatically."

Brent Kerr
CEO Kewico GmbH

"The most beautiful thing about OrangeScrum is an easy approach to all cumbersome tasks which makes it a lot simpler to use. OrangeScrum makes a complicated project way easier to run within my team."

Kuda Msipa
cutmec

"By having a central tool for managing both my clients and project and also the ability to streamline business processes to match the goals of the company and deliver within budget and timelines, is the best thing a company can do."
